Jewish Joy Shines Through

“Through Hillel, I have built an extended family that I never dreamed of having — my director and fellow students at Hillel are cousins I never knew. Their love keeps me strong. Their love keeps me seen. Their love keeps me safe.”

- Sheridan, Stetson University
(Class of 2027)

For so many Jewish college students, the 2023-2024 school year was difficult, frustrating, and at times, frightening. But it was also illuminating, invigorating, and inspiring.

It's because of Hillel and incredible supporters like you that Jewish college students were able to overcome the obstacles they faced. They found solace in hard times. They found peace in conflict. And they found love and joy through Jewish life on campus with Hillel — just as they have for 100 years.

We couldn't do this important work without you. We're so glad you're with us as we work together to provide vital programs and services to the 180,000 Jewish college students around the world who joined us at Hillel this year. Thank you.

“Jewish students need to have a place where they can identify as Jewish, and be supported. Hillel appeals to all kinds of Jewish students—observant or not, coming from youth groups, having their first Jewish experience and finding their identity at college.”

-Nanci, Hillel supporter
